PUBLIC PROGRAMME – ASSOCIATE MEMBERSHIP

An important aim of Southern African Association of Jungian Analysts (SAAJA) is to increase public awareness of the value of the psychology of C.G. Jung. To this end, the Public Programme Committee offers a lecture series on Analytical Psychology and related topics. The lectures are presented on Zoom and are recorded. A link to the recording can be emailed to registered attendees on request within 30 days of presentation.

Associate Members are valued by SAAJA as Friends of the C.G. Jung Centre and enjoy free entrance to the public lecture series.

Associate members, who are registered professionals, are invited to join one of our reading groups. The reading groups are CPD accredited.
